STATUTORY MEASURE
PROPOSITION A

Referendum ordered by Petition

Do the people of the state of Missouri want to adopt Senate Bill 19 ("Right-to-Work") as passed by the general assembly in 2017, which prohibits as a condition of employment the forced membership in a labor organization (union) or forced payments of dues in full or pro-rata (fair-share); make any activity which violates employees' rights illegal and ineffective; allow legal remedies for anyone injured as a result of another person violating or threatening to violate employees' rights; and which shall not apply to union agreements entered into before the effective date of Senate Bill 19?

State and local government entities expect no costs or savings.

CITY OF BILLINGS

QUESTION 1

Shall the City of Billings stop applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats and outboard motors that were purchased from a source other than a licensed Missouri Dealer?

Approval of this measure will result in a reduction of local revenue to provide for vital services for the City of Billings and it will place Missouri dealers of motor vehicles, outboard motors, boats and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats and trailers.

NO

QUESTION 2

Shall the City of Billings impose a local use tax at the same rate as the total local sales rate, currently One and One-Half Percent (1.5%) provided that if the local sales tax rate is reduced or raised by voter approval, the local use tax rate shall also be reduced or raised by the same action? A use tax return shall not be required to be filed by persons whose purchases from out-of-state vendors do not in total exceed two thousand dollars in any calendar year.
