Minimum Conditions Applicable To Permit Application (1-9)

1. The Permittee declares that prior to filing this application, the location of all existing utilities that it owns or has an interest in, both aerial and underground, are accurately shown on the plans.
2. Applicant agrees to maintain the permitted facilities / site, including the surrounding public right-of-way, at their sole expense and, if required by Christian County, to promptly modify, relocate, and/or remove any facility required, at the applicant's sole expense. The applicant, at their sole expense, shall restore all portions of the public right-of-way disturbed or impaired during the maintenance, modification, relocation, or removal of the permitted driveway and Christian County shall accept no responsibility.
3. The applicant at their sole expense shall restore all portions of the public or private utility systems disturbed or impaired during the maintenance, modification, relocation, or removal of the permitted facility and Christian County shall accept no responsibility.
4. All materials, installations, and methods of work in the public right-of-way shall be in accordance with the applicable jurisdiction and applicable utility service provider minimum standards for materials, specifications, and construction.
5. Permitted work shall not be deemed approved until all installations, tests, and restorations are complete and approved by Christian County, all other regulatory agencies, and all test reports, certifications, and record drawings have been submitted and accepted by all agencies requiring record drawing approval.
6. Permittee is solely responsible for any relocation(s) of new or existing facilities required as a result of this permitted construction. Permittee is responsible for notification / coordination with owners of other facilities within the County's right-of-way, easement or property.
7. This permit applies only to authorization from the Christian County Highway Department. It is possible that additional permits may be necessary. Nothing contained herein relieves the permittee from timely complying with applicable laws of other Federal, State, and Local government.
8. Prior to construction of any improvements within the County jurisdiction, right-of-way, easement, or other property, the permittee shall notify the Missouri One-Call System, Inc. for underground facility locations. Permittee hereby indemnifies and holds Christian County harmless for any loss arising from the permittee(s) installation or operations under this permit. The permittee shall hold the County harmless and relieves of all responsibility for any damage or liability of any nature arising from work authorized and performed under this permit.
9. It is the sole responsibility of the permittee to notify and coordinate work with utility owners within the proposed permit area.
