Request:

Under the provisions of Article 5, Sections 3 and 4 of the Subdivision Regulations for Christian County, Missouri, I, _____ request that an administrative minor subdivision be approved in order to:

☐ Create _____ new metes and bounds described tracts of land for building permits and/or transfer of title without platting.

☐ Re-Configure _____ property descriptions for building permits and/or transfer of title without plotting (Lot Line Adjustment).

Sufficient evidence must be submitted to the Planning and Development Administrator to support the request as required by the Subdivision Regulations granting approval.

I, the undersigned, authorize Christian County staff to conduct on-site inspections to ensure this site's compliance with provisions of the Christian County Zoning Regulations, Subdivision Regulations and the Christian County Building Codes.
